

# Curriculum Vitae

## I. Personal details

- **First and family name:** Hossein Khorramdel Azad
- **Date and place of birth:** 01/09/1981, Rafsanjan, Iran
- **Citizenship:** Iran
- **Address:** No.19, Motahhari 45, Motahhari Street, Rafsanjan, Iran
- **Telephone:** +989021913002
- **E-mail address:** [Khorramdelazad@gmail.com](mailto:Khorramdelazad@gmail.com)
- **Academic E-mail:** h.khorramdel@rums.ac.ir
- **Current post:** Instructor Immunology, Faculty member
- **Education (schools completed, years of graduation, degrees awarded, professional qualifications):**

a) Ph.D. Student in Immunology, September 2019-present (1th Rank of Entrance Exam)

Department of Immunology, School of Medicine, Iran University of Medical Sciences, Tehran, Iran

b) Master of Science in Immunology 2013-2014

Department of Microbiology and Immunology, Faculty of Medicine, Rafsanjan University of Medical Sciences, Rafsanjan, Iran

G.P.A: 19.02/20, Thesis grade: 20/20 (Excellent grade A+)

c) Bachelor of Science in Medical Laboratory Science 2006-2008

Faculty of Medical Science, Kerman University, Iran

G.P.A: 14.96 /20

d) Associated degree in Medical Laboratory Science 2004-2006

Faculty of Medical Science, Rafsanjan University, Iran

G.P.A: 16.04/20

e) Pre-university course (1 year)

f) Elementary school, Middle school, and High school (12 years)

- **Language skills:** IELTS overall score 6 (Listening: 5.5 Reading: 6 Writing: 5.5 Speaking: 6)  
8 July 2017 to 8 July 2019. Candidate Number: 004972
- **Employment history:**  
2017-present, Instructor Immunology, Faculty Member, Rafsanjan University of Medical Sciences, Rafsanjan, Iran  
2010-2016, as a supervisor at the Molecular Medicine Research Center, Rafsanjan University of Medical Sciences, Rafsanjan, Iran  
2007- 2010, Technician at Farvardin and Masoud Medical Laboratory, Tehran-Iran

## II. **Research**

- **Major research fields:** Cytokine and Chemokine Biology, Neuroimmunology
- **H-index:** 16
- **List of publications:**

### **Original and Review Articles [1-50] [51-68]:**

- [1] M.K. Arababadi, R. Mosavi, H. Khorramdelazad, N. Yaghini, E.R. Zarandi, M. Araste, R. Pourali, Z. Nekhei, D. Kennedy, Cytokine patterns after therapy with Avonex®, Rebif®, Betaferon® and CinnoVex™ in relapsing-remitting multiple sclerosis in Iranian patients, *Biomarkers in Medicine*, 4 (2010) 755-759.

## Books

1. Immunopathogenesis of Multiple Sclerosis disease (2018, In Persian)
2. Assessment of gene expression by Real-time PCR (Syber green) technique (2017, In Persian)

- **Awards:**

1. 1st Rank Researcher. Rafsanjan University of Medical Sciences Festival Award 2013
2. 2st Rank Researcher. Rafsanjan University of Medical Sciences Festival Award 2014
3. 1st Rank Researcher. Rafsanjan University of Medical Sciences Festival Award 2015

4. 1st Rank Researcher. Rafsanjan University of Medical Sciences Festival Award 2016
5. 1st Rank Ph.D. Student. Iran University of Medical Sciences 2019

- **Other research-related contribution:**

**Conference participation:**

1. Khorramdelazad H, "Lack of association between CCR5-Δ32 mutation and acute lymphoblastic leukemia: a study from sought-eastern of Iran". 11th International Congress of Immunology & allergy Tehran-Iran April 2012
2. Khorramdelazad H, "The status of regulated on activation normal T cell expressed and secreted (RANTES) and interleukin 6 serum levels in nephropathies type 2 diabetic patients". 11th International Congress of Immunology & allergy Tehran-Iran April 2012
3. Khorramdelazad H, "The CXC Chemokine CXCL12 tissue expression and circulating levels in patients suffering from induced peptic ulcer follows a phase-dependent fashion?" 6th International Congress of Laboratory & Clinic Tehran-Iran Feb 2014
4. Khorramdelazad H, "HIGH SERUM LEVELS OF TGF-βIN IRANIANS WITH CHRONIC HBV INFECTION". 5th International Congress of Tehran Hepatitis, Tehran Iran May 2014
5. Khorramdelazad H, "Role of the eccentric exercise-induced delayed-onset muscle soreness effects on the regulation of the expression of S100A12, RAGE, and NFkB". 11<sup>th</sup> International Congress of Immunology & allergy, May 2014, Tehran-Iran
6. Khorramdelazad H, "The CCL5/CCR5 axis itself, but its CCR5 -Δ32 variant is involved in both T1D and T2D and also nephropathies complications of T2D" 11th International Congress of Immunology & allergy. May 2014, Tehran-Iran
7. Khorramdelazad H, "Differential pattern of eotaxins (CCL11, CCL24, CCL26) and CCR3 expression in Iranian Parkinson's patients" 14th International Congress of Immunology & allergy. April 2018, Tehran-Iran (Oral Presentation)

**Workshops attended:**

1. Quality control in Microbiology, Kerman-Iran, April 2009.
2. SPSS workshop, Physiology and pharmacology research center, Rafsanjan-Iran 2013
3. Computational Genomics, 4th International Tehran Hepatitis congress. Tehran, Iran 2011
4. Experiences in the Journal of Viral Hepatitis for Editors and how to write a good paper, 4<sup>th</sup> International Tehran Hepatitis congress. Tehran, Iran 2011
5. Instructor, Primer design workshop, Rafsanjan University of Medical Sciences, 2014
6. Real-time PCR and Epigenetic. Pasteur Institute of Iran, 2014
7. microRNA, Biosynthesize and function-stem loop primer design 2018

8. Dendritic cell-based vaccines for cancer immunotherapy: an experimental model 2018
9. Advanced practical-surgical techniques in dealing with laboratory animals 2018
10. Entrepreneurship and wealth creation, Iran University of Medical Sciences 2019
11. Big Bang Boot Camp (Health Startups), Iran University of Medical Sciences 2019

### **III. Further professional training**

1. DNA and RNA extraction from all cell and tissue systems
2. PCR, RFLP
3. Real-time PCR
4. Western blotting
5. Isolation of peripheral blood mononuclear cells
6. ELISA
7. Clinical and diagnostic laboratory techniques
8. Primer design (PCR/RT-PCR/miRNA)
9. Flowcytometry (Cyflow, Partec, Germany)
10. Experience in software such as Gene runner, Flowmax, Oligo7, Endnote, Adobe Photoshop, Corel Draw, Microsoft Office, Graph pad Prism, and Primer Express.
11. Professional design of review articles diagrams and figures. (Sample: My latest article, PMID: 29277337)

### **IV. General contribution**

- Teaching immunology
- Teaching molecular techniques to postgraduate students
- Design of project (collaborate with other departments)
- Troubleshooting in different techniques used in postgraduate students thesis
- Contribution to the different approved project in molecular Medicine Research Center

### **V. Interests**

- Research
- Sport (fitness and physique): Men's Physique Athlete
- Art (digital graphic design)

### **VI. References**
